LB 112, 370

SENATOR HOHENSTEIN: I'd move the advancement of LB 112 to E & R for engrossing.

SPEAKER BAACK: You've heard the motion to advance LB 112. All those in favor say aye. Opposed no. It is advanced. Senator Haberman, would you like a point of personal privilege.

SENATOR HABERMAN: Yes, Mr. President, I would. Mr. President, members of the body, we...we have something serious here today and I think we should digest it and chew on it and think it over, that's why I rise for this privilege, Mr. President. You know, folks, when someone reaches the age of 40, and then they go over 40 and they start to slide downhill. And I think that we should recognize this morning someone who is on the slide downhill, due to his age, not due to his mentality, unfortunately. This particular person is doing an exceptional job for us, we all know him and I think this body should clap and whoop and holler and wish Patrick O'Donnell a happy birthday. Happy birthday, Patrick. (Applause.)

SPEAKER BAACK: Any rebuttal?

CLERK: Not with Senator Haberman, Mr. Speaker. Thank you.

SPEAKER BAACK: We will now proceed on Select File to LB 370.

CLERK: Senator Hohenstein, I have E & R amendments pending, Senator.

SPEAKER BAACK: Senator Hohenstein.

SENATOR HOHENSTEIN: I'd move the adoption of the E & R amendments to LB 370.

SPEAKER BAACK: You've heard the motion to adopt the E & R amendments to LB 370. All those in favor say aye. Opposed no. They are adopted.

CLERK: I have nothing further on the bill, Senator.

SPEAKER BAACK: Senator Hohenstein.

SENATOR HOHENSTEIN: I move the advancement of LB 370 to E & R for engrossing.
